

Gabriela Abinajm Roque – Product Designer

Professional Summary

Product Designer with 10 years of experience creating digital products across startups, large companies, and consultancies. Strong background in UX/UI design, accessibility, design systems, and stakeholder collaboration. Passionate about building inclusive experiences and leading end-to-end product initiatives.

Education

- Bachelor's Degree in Graphic Design – Universidade Belas Artes de São Paulo
- MBA in Strategic UX Design Management – ESPM

Professional Experience

Product Designer – DASA

October 2024 – November 2025

- Designed and improved the self-service patient check-in totem, working closely with physical touchpoints.
- Collaborated on the company's Design System, ensuring consistency and scalability across teams.
- Strong focus on accessibility, implementing inclusive solutions that improved usability for all users.
- Worked closely with cross-functional stakeholders to align business needs and product requirements.

Product Designer – Promptly Health (Portugal)

May 2023 – January 2024

- Designed data-visualization tools for healthcare insights.
- Conducted user research, mapped journeys, and improved complex clinical dashboards.

Product Designer – QuintoAndar

February 2021 – April 2022

- Designed internal back-office platforms used by operations teams.
- Led discovery, research, ideation, wireframes, flows, and usability tests.
- Improved operational efficiency by delivering intuitive internal tools.

Product Designer – C6 Bank

August 2019 – April 2020

- Joined during the early launch stage of the mobile app.
- Designed investment products from scratch under tight deadlines.
- Worked with limited data and user insights, leading research to shape the MVP direction.

Product Designer – Itaú

March 2018 – July 2019

- Worked directly with Design System, accessibility standards, and agile methodologies.
- Collaborated with investment, credit, insurance, and other cross-functional squads.
- Supported large-scale digital initiatives in a highly regulated environment.
